VAN NUYS AIRPORT TRAFFIC CONTROL TOWER LETTER TO AIRMEN NO. 05-2

Issued: April 14 2005

Effective: April 14 2005

Subject: Simultaneous Operations on Parallel Runways

Cancellation: April 13, 2007

This letter advises users of Van Nuys Airport that between sunrise and sunset Van Nuys Airport Traffic Control Tower is authorized to conduct simultaneous same direction operations to the parallel runways between lightweight single-engine propeller driven aircraft and twin engine propeller driven aircraft.

If you have any questions or comments regarding the above, please contact Charles A. Chamberlain, IV, Air Traffic Manager, Van Nuys Airport Traffic Control Tower, at (818) 904-6166.
